

Winning Poems in 2021 CFCP, Inc., Student Contest

5J. I Remember, First Place

**Family Ties**

*~in shadormas~*

Warm and tight,  
Wrapped in my blanket,  
I watched shows  
While drinking  
Hot cocoa my mom brought me:  
Hold all blessings dear.

Crescent moon  
Gleamed as my sister  
Dangled keys  
For our car  
Since gracing me with ice cream:  
Hold all blessings dear.

Pandemic  
News still normal then,  
My Dad shared  
That day's news;  
And I ran to hold him tight:  
Hold all blessings dear.

Shivering,  
Pluto, tail hidden,  
Raced to me  
In distress;  
I consoled my tiny dog:  
Hold all blessings dear.
